SUBJECT: GENERAL
SPECIFIC: Operational/CALL
Identity of Heinz ANDERS

DATE: MAY 27 1953

REF: EGNA-1514

1. The Heinz ANDERS mentioned in the REVUE story is Heinz Peter ANDERS. He was once connected with Zipper but was dropped by them in 1949. He worked for them in West Germany, not in Berlin. There is no indication of any present or past connection with CAPOTE.

2. The ANDERS to whom you refer as having been a CAPOTE connection is Kurt Eberhard W. ANDERS. He lived and worked in Berlin (at least up to November, 1952). He was born in 1920, whereas the ANDERS of the article was born in 1916. On the basis of physical description, photograph, and biographical history he is definitely not identical with subject. This ANDERS was dropped with the close out of the CAPOTE chain in May, 1950. He later worked for ZIPPER but was dropped by them on 15 October 1952, with prejudice (see EGNA-2280).
